Section 1 – Introduction

This directory provides a list of GEMCare Medicare Plus HMO's network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage.

You will have to choose one of our network providers who are listed in this directory to be your **Primary Care Physician (PCP)**. The term "PCP" will be used throughout this directory. Generally, you must get your health care coverage from your PCP. Your PCP can help you arrange or coordinate your covered services. These services include x-rays, laboratory tests, therapies, specialists, hospital admissions, and follow-up care. Your PCP also contacts other plan providers for updates about your care and/or treatment. If you need certain types of covered services or supplies, your PCP must give approval ahead of time. Your PCP must give you a referral to see a specialist. In some cases, your PCP will also need to get prior authorization (prior approval). If you receive services from any doctor, hospital, or other health care provider without getting a referral ahead of time from your PCP, you may have to pay for these services yourself, even if the services received are from a provider in your plan.

When your PCP thinks that you need specialized treatment, he or she will give you a "referral" (approval ahead of time) to see a plan specialist. A **specialist** is a doctor who provides health care services for a specific disease or part of the body. Some examples of specialists are oncologists, who treat cancer; cardiologists who treat heart conditions; and orthopedists, who treat certain bone, joint, or muscle conditions. For some types of referrals to plan specialists, your PCP may need to get approval ahead of time from GEMCare Medicare Plus HMO. This is called "prior authorization." It is very important to get a referral from your PCP before you see a plan specialist. **If you don't have a referral before you get services from a specialist, you may have to pay for these services yourself.** If the specialist wants you to come back for follow-up visits, be sure to check the original referral to see if these were included in that referral.

The "network providers" listed in this directory have agreed to provide you with your health care coverage.

You may choose the medical group/IPA you wish, which means you will choose your PCP from that medical group/IPA list. The hospitals and specialists available for you to see will be those on that medical group/IPA list. You may change to a different medical group/IPA if you wish to have access to the providers on that medical group/IPA's list.

You may go to any of our network providers listed in this directory; however, some services may require a referral. If you have been going to one network provider, you are not required to continue going to that same provider. In some cases, you may get covered services from non-network providers.

You may self-refer to an obstetrical and gynecological (OB/GYN) specialist within your contracting medical group/IPA for a routine pap smear, pelvic exam and breast exam annually.

If you receive a bill from a non-contracting provider, you should not pay the bill. You should submit it to GEMCare Medicare Plus HMO for processing and we will let you know what, if anything, you must pay. You may contact us at 661-716-8800, or toll-free 877-697-2464, October 15th through February 14th, 8:00 am – 8:00 pm, seven days a week; February 15th through October 14th, 8:00 am – 8:00 pm, Monday through Friday (except holidays). TTY users should call 888-833-9312. Our mailing address is 4550 California Avenue, Suite 100, Bakersfield, CA, 93309.

If you need care when you are outside the service area, your health care coverage is limited. The only services we cover when you are outside our service area are care for a medical emergency, including post-stabilization care, urgently needed care, renal dialysis (kidney), and care that GEMCare Medicare Plus HMO or a plan provider has approved in advance. If you have questions about whether a service is covered when you travel, please call our Member Services Department at 661-716-8800, or toll-free 877-697-2464, October 15th through February 14th, 8:00 am – 8:00 pm, seven days a week; February 15th through October 14th, 8:00 am – 8:00 pm, Monday through Friday (except holidays). TTY users should call 888-833-9312.

If you have a medical emergency:

- Get medical help as quickly as possible. Call 911 for help or go directly to the nearest emergency room. **In any emergency, you never need to contact any plan provider, even your own PCP, for either permission (“authorization”) or referral.**

However, as soon as possible, you or someone else should contact GEMCare Medicare Plus HMO at 661-716-8800, or toll-free 877-697-2464, October 15th through February 14th, 8:00 am – 8:00 pm, seven days a week; February 15th through October 14th, 8:00 am – 8:00 pm, Monday through Friday (except holidays). TTY users should call 888-833-9312. Your health plan needs to know about your emergency because we will provide follow-up care. Please try to contact GEMCare Medicare Plus HMO about your emergency within 48 hours.

You must use plan providers except in emergency or urgent care situations or for out-of-area renal dialysis or other services. If you obtain routine care from out-of-network providers neither Medicare nor GEMCare Medicare Plus HMO will be responsible for the costs.
